

adastra 900 Series Mixer and Slave Amplifiers

952.966 - 3 CHANNEL 30W RMS MIXER AMPLIFIER

Mixer amplifier producing 30W rms output power featuring 2 mic inputs and 1 line input. Switchable VOX priority and balanced input on MIC channel 1.

RMS output power 30W
VOX priority channel 1
2U 19" rack mount

3 input channels
Bass & treble controls
Peak and signal LED's

Channel 1 electronic balanced
8 ohm and 100V line outputs
Mains and battery operation

952.969 - 4 CHANNEL 60W RMS MIXER AMPLIFIER

Mixer amplifier producing 60W rms of output power featuring 3 mic inputs and 1 line input. Switchable VOX priority and balanced input on MIC channel 1. Channel 3 switchable between MIC & AUX.

RMS output power 60W
VOX priority channel 1
2U 19" rack mount
Channel 3 MIC & AUX switchable

4 input channels
Bass & treble controls
Peak and signal LED's

Channel 1 electronic balanced
8 ohm and 100V line outputs
Mains and battery operation

952.972 - 4 CHANNEL 120W RMS MIXER AMPLIFIER

Mixer amplifier producing 120W rms of output power featuring 3 mic inputs and 1 line input. Switchable VOX priority and balanced input on MIC channel 1. Channel 3 switchable MIC & AUX.

RMS output power 120W
VOX priority channel 1
2U 19" rack mount
Channel 3 MIC & AUX switchable

4 input channels
Bass & treble controls
Peak and signal LED's

Channel 1 electronic balanced
8 ohm and 100V line outputs
Mains and battery operation

952.975 - 120W RMS SLAVE AMPLIFIER

A 120W rms high power slave amplifier for use with the above range of mixer amplifiers or with any other suitable source. Featuring phono sockets for line inputs and outputs and a front located master volume control.

RMS output power 120W
Peak and signal LED's

8 ohm and 100V line outputs
Mains and battery operation

2U 19" rack mount

952.993 - 240W RMS SLAVE AMPLIFIER

A 240W rms high power slave amplifier for use with the above range of mixer amplifiers or with any other suitable source. Featuring phono sockets for line inputs and outputs and a front located master volume control.

RMS output power 240W
Peak and signal LED's

8 ohm and 100V line outputs
Mains and battery operation

2U 19" rack mount
