## Adastra 952.080 series of horn loudspeakers

A long established range of heavy duty, high quality circular PA horn speakers. Made from virtually indestructible ABS material offering maximum protection against shock and weather making them ideal for mounting in extreme outdoor conditions - IP rating 65. All horns are fitted with a sturdy, 270° adjustable mounting bracket and a 60cm length of double insulated connecting cable. All models are fitted with high quality aluminium voice coils, which offer high acoustical properties and reliability. 100V line models have high quality line matching transformers fitted into a sealed rear housing with wattage tapings selectable by an integral rotary switch.
