## **adastra** RECTANGULAR HORN SPEAKERS

A range of rectangular shaped 100V line PA horn speakers ideal for general purpose and standard industrial installations. All models are made from durable ABS in ivory colour and are fitted with a sturdy adjustable steel mounting bracket. Each model is fitted with a high performance 100V line matching transformer and a length of 3 core double insulated connecting cable. Wattage tapings are selected by an integral rotary switch. IP rating 65.
