

 **Monacor WL-6T6 and ESP-152 PA & BGM 100v line wall speakers**

While the dual-cone 6w 100v line WL6T6 is suitable for general purpose PA and BGM applications requiring a neat and unobtrusive PA wall mount loudspeaker the two-way coaxial 15w 100v line ESP152 has been designed for higher sound output and quality together with a cabinet which has been designed to help protect against ball rebound in leisure centres and other venues.

- White PA wall speaker
- 100V line operation with 3 power taps
- WL-6T6 - Full range speaker with dual cone
- ESP-152 - High-quality sound, capable of high volumes due to 2-way coaxial system
- Plastic cabinet of a special design (open rear panel) with metal grille
- ESP-152 - Protected against ball rebound
- Supplied with mounting screws and cover plates for the screws
