

MONACOR ETS215 and ETS230 SLIMLINE PA COLUMN SPEAKERS

These slimline column speakers ideally suited for all indoor applications especially where discretion is a necessity. They are also suitable for outside use provided they are sited under cover. Extruded aluminium with a white protective finish and fitted with a white metal grill and white plastic end caps. Fitted with high quality speakers providing a crisp clear sound reproduction and a 100V line matching transformer and a length of connecting cable. Wattage tapplings are selected by an integral rotary switch. Supplied with mounting brackets.
